

International Student Declaration of Finances

Confidential financial statement of personal or family support.

Please read all application instructions below before completing this form.

Immigration policies require that Presidio Graduate School verify the financial resources of all international applicants. This form will provide the necessary documentation.

Please complete this declaration and obtain the appropriate signatures. Students receiving scholarships from their governments or employers must submit letters verifying such scholarship awards. Please note that financial statements are only valid for six months.

Please note that the estimated costs are for one academic year (four quarters). You are required to certify that you or your sponsor have the amounts calculated below. These estimated costs do not include transportation costs to and from the United States.

It is important to remember that student visa holders are not authorized to work in the United States except under special circumstances. You should not plan on supporting your education through employment while being a student.

There is no financial aid available for international students. However, international students can apply for scholarships.
