

SCHOOL PERFORMANCE FACT SHEET

This program is new, therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

The State of California requires Presidio Graduate School (the “School”) to provide each student a School Performance Fact Sheet disclosing the following information with respect to the Master’s Degree program in Business Administration (“Program”), which is 4-8 academic semesters in length.

Cohort Default Rate: N/A (The program is too new to have a Cohort Default Rate)

The percentage of the students who attended the school in **year 2015** who received federal student loans to help pay their cost of education at the school was approximately 40%.
