Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Gainfully Employed” means:
 - (A) (i) The graduate is employed in a job classification under the United States Department of Labor’s Standard Occupational Classification codes, using the Detailed Occupation (six-digit) level, for which the institution has identified in its catalog and in its employment positions list required by section 94910(f)(2) of the Code that the program prepares its graduates; and
 - (ii) The graduate is employed in a single position or concurrent aggregated positions totaling at least 30 hours per week for 5 weeks (35 calendar days) , or totaling at least 20 hours per week for 5 weeks (35 calendar days) with a statement signed by the graduate stating that he or she chose to seek part-time employment rather than fulltime employment after graduation; or
 - (B) The graduate is employed by the same employer that employed the graduate before enrollment, and any of the following conditions are met:
 - (i) the graduate is employed in an occupation with a different Detailed Occupation (six-digit) level Standard Occupational Classification code than applies to the position in which the graduate was employed before enrollment; or

(ii) the employer or the graduate provides a statement to the effect that the employment after graduation was the result of a promotion with increased pay, due at least in part to graduation from the program; or

(iii) the employer or the graduate provides as statement to the effect that the degree or the completed program was required as a condition of continued employment; or

(C) The graduate is self-employed or working freelance as reasonably evidenced by, but not limited to, a business license, fictitious business name statement, advertising (other than business cards), website, or business receipts or other evidence of income from business; or an attestation signed by the graduate of self-employment or freelance work and dated after graduation.

- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
